- Vienna Sausages
- Canned Fruit

***Gift Cards will be used to refill items and/or purchase fresh fruits.**

Backpack Food Program

Each week during the school year, we provide approximately 270+ bags of food to go home in the backpacks of children in need in 10 of our local schools. We work with our local school counselors to identify the children who may need food for the weekend. On Thursday mornings, our volunteers come and pack the bags and deliver them to the local schools where they are distributed to the children who need them.
