

Merry Christmas from Sugar Hill Church
Family Devotions for Friday December 15, 2017

The BIG DAY is almost here! And there's no time to look backwards and every reason to look forward to the celebration of Christmas and a blessed New Year!

There's a reason that we have rear and side view mirrors on our car. And there is plenty of reason to have a windshield. When we backup we need to look behind us and when we need to slide to the side, there are side view mirrors. But to look forward, we need a windshield.

God gives us a beautiful view of our future when we can live out our part of His promise. Look at Proverbs 3:5-6

"Trust in the LORD with all your heart, and lean not on your own understanding; In all your ways acknowledge him, and He will make your paths straight."

WE ALL HAVE MOMENTS OF TRUSTING AND CLINGING

If we could walk through life in reverse order, so many times of doubt and questions would be erased from our path. But sadly, we would have missed those desperate moments of trusting in the Lord and clinging to him for guidance.

We learn from our mistakes and failures in our past. We recognize God working in our lives in our daily lives and we look forward with great faith to what He has for us in His glorious future.

This Christmas, don't miss the promise of God. Learn from your past and trust your Heavenly Father for your future.

Christmas came with the promise that tomorrow would be better as we trust Jesus with all we are and all we have.
