

# SPRING 2023 ADULT GROUPS

Sugar Hill Church is a place where everybody is welcome, and anybody can call home! As you probably know, we keep it pretty simple around here.

- \* We believe the Bible is a big deal.*
- \* We believe Jesus is the biggest deal.*
- \* We believe we best live these truths out when we serve other people.*

That's it! I can't think of a better way to stay focused on all three of these than by being actively involved in a Group!

The truth is, we are not designed to live in just a large group setting as a church. We are called to live in community with others and grow together! That's why I want to invite you to join a Group this semester.

Our goal is to make it easy for you to jump in. We have many different Groups that can fit with your lifestyle.

All that to say, we have a Group for you! Are you ready to jump in? I hope so - it's going to be a great semester!

**Chuck Allen**

**Lead Pastor**

I would like to invite you to join us for one of our Adult Small Groups. If you have never been part of one of our Groups, then you are in for a great experience. If you have already been involved, you know this semester is going to be incredible!

Groups range in size depending on when and where they meet. They are typically small groups of folks that meet each week in a convenient location where you can learn more about the Bible, grow in your faith, and have fun meeting new people!

There are a lot of great reasons to join a Group. Here are four of them:

- \* Regular Bible study will help you grow in your faith.*
- \* Prayer from others will help you get through tough times.*
- \* You'll meet new friends and strengthen existing friendships.*
- \* You'll have fun with other people going through the same things you are.*

I hope you get plugged in!

**Bobby McGraw**

**Executive Pastor**
